ELIGIBILITY AND CONDITIONS OF ENTRY

Only EACU players are eligible to play in any section of this congress. An EACU player is one who (i) currently lives in, or (ii) has for a consecutive 5 year period lived in, or (iii) is currently a student at a school, college or university in, or (iv) was born in, or (v) is currently a member of a club in or affiliated to, Bedfordshire, Cambridgeshire, Hertfordshire, Norfolk or Suffolk.

In all matters, the Chief Controller's decision shall be final.

It is a condition of entry that players agree to their grading information being published on the ECF Website.

The Organisers reserve the right to transfer players from one section to another or to refuse entry to any player without giving any reason, and to merge sections and/or to increase or reduce the prize fund and its distribution depending upon entries.

A junior is a player born on or after 1 January 2000.

Any player arriving more than 30 minutes later than the scheduled start time for any round will be defaulted that game, and their opponent re-paired if possible.

Mobile phones must be switched off in the playing area, and must not be on a player's person at any time during their game. Any player whose mobile phone makes any sound during play, or who is found to be using or consulting any device capable of suggesting chess moves, will be immediately defaulted that game.

Each Champion will receive a permanent trophy in addition to their monetary prize.

The EACU Open Champion will qualify for a place in the 2018 British Championship, to be held in Hull from 28 July to 5 August 2018. They will enter the British Championship at their own expense.

Continue on this road (Duxford Road) for just over half a mile, and turn right (into Mill Lane) at the village green. Whittlesford Memorial Hall is on your right.
